## Lines of Responsibility

2121

The organizational chart which follows is structured to:

1. clarify responsibility of students, teachers, administrators, and the Superintendent to the Board of Education;
2. inform each member of the staff to whom, and for what functions, he/she is responsible;
3. have each member of the staff responsible to only one immediate supervisor for any one function;
4. outline for staff members the appeals procedure, beginning with their immediate supervisor and continuing to the Board level;
5. provide effective lines of communication to keep each staff member informed of policies, regulations, significant district events, and other important information.
