## **Equipment, Books and Materials**

**6161**

### **General:**

The Board of Education shall provide educational materials and equipment that support and enrich the curriculum and further the achievement of the school system's instructional goals.

Textbooks: See section 6141, page 3

Basic textbooks and instructional materials and equipment shall be furnished by the Board of Education for all district schools with the following exceptions:

1. individual project materials to be used in the Technology Education, Family and Consumer Sciences, and art courses;
2. materials to be used for special projects not required for credit in a course;
3. personal clothing items worn for physical education and other in-school athletic activities.

According to state law, the Board of Education will make final textbook selections.

### **Textbook Loans to District Private Schools:**

The Board of Education approves the policy of loaning books in accordance with Public Act 75-397, leaving the administration full discretion as to the loan of books. A form for this purpose must be obtained from the Superintendent.
