

The Vernon Public Schools in collaboration with Vernon Youth Services will be offering counselors to students impacted by the recent tragedy. Counselors are being organized to be on call to any student Tuesday, June 30th and Wednesday, July 1st, from 9:00-11:00am at Skinner Road School.

Counselors from RHS, SRS, YSB, and Vernon Faith Communities are being contacted and will be available to assist students through this time. Staff from SRS were informed about this support and may also be available to support students while they are waiting to speak to a counselor.

The Vernon community will come together to support each other during this time.
